

D. Mendeleev University of Chemical Technology of Russia

HONORABLE DOCTORS

1. Krishnavarasamy Ventkataraman (1961) India
2. Janos Inczedy (1981) Hungary
3. Milcho Angelov Natov (1981) Bulgaria
4. Svetla Naidenova Raicheva (1982) Bulgaria
5. Gunther Grun (1982) Germany
6. Jiri Mostecky (1985) Czechoslovakia
7. Dennis L. Meadows (1989) USA
8. Jean Mayer (1991) USA
9. Margaret Thatcher (1994) United Kingdom
10. Umberto Colombo (1994) Italy
11. Eberhardt Dipgen (1996) Germany
12. Agni Vlavianos-Arvanitis (1997) Greece
13. Jacques-Yves Cousteau (1997) France
14. Samak Suntharavet (1997) Thailand
15. George Sobotta (1997) Germany
16. Jose Carreras (1998) Spain
17. Thor Heyerdahl (1999) Norway
18. Montserrat Cabalier (2000) Spain
19. Irina Arkhipova (2001) Russia
20. Lord Brown Medingley (2003) United Kingdom
21. Galina Vishnevskaya (2006) Russia
22. Jean-Michel Jarre (2008) France
23. Hans Leuenberger (2008) Swiss
24. Chulaphon Mahidon (2011) Thailand
25. Angela Merkel (2012) Germany
26. Murat Zhurinov (2014) Kazakhstan
27. Aristidis Tsatsakis (2016) Greece

Krishnavarasamy Ventkataraman
(1961) India

Professor of Bombay University, director of the National Chemical Laboratory of Pune

Janos Inczedy (1981) Hungary

Head of the chair of analytical chemistry of the Veszprem Higher Chemical Technological University

Milcho Angelov Natov (1981)
Bulgaria

Head of the chair of high-molecular compounds technology in the Sofia Chemical Technological Institute

Svetla Naidenova Raicheva
(1982) Bulgaria

Head of the chair of physical chemistry of Sofia Chemical Technological Institute

Gunther Grun (1982) Germany

Professor of Hamburg University

Irgy Mostecki (1985)
Czechoslovakia

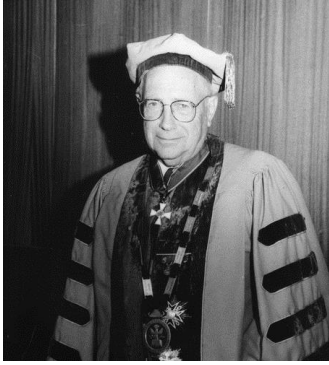

Rector of the Prague Institute of Chemical Technology

Dennis L. Meadows (1989) USA

Director of the Institute of Political and Social Explorations,
New Hampshire University

Jean Mayer (1991) USA

The 10th President of Taft University

**Margaret Thatcher (1994)
United Kingdom**

Germany**

The ruling burgomaster of Berlin, the prime-minister of Berlin Federal Land

Agni Vlavianos-Arvanitis
(1997) Greece

The foundress and president of Biopolitics International Organization (BIO), the foundress of the International University for the Bio-Environment

Jacques-Yves Cousteau (1997)
France

Scientist-investigator, oceanolog

Samak Suntharavet (1997)
Thailand

The vice-premier of Thailand government

George Sobotta (1997) Germany

Head of “Chemical Processing Technology” central subdivision of “Zaltsgitter” company

Jose Carreras (1998) Spain

Worldwide famous tenor

Thor Heyerdahl (1999) Norway

Greatest Norwegian adventurer and ethnographer

Montserrat Cabalier (2000)
Spain

Greatest Spanish operatic soprano

Irina Arkhipova (2001) Russia

Greatest Russian mezzo-soprano, and later contralto, opera singer

Lord Brown Medingley (2003)
United Kingdom
